knowledge management in managers and acquisitions

kavyan m.lavassani - B.Sc.MBA,PhD Candidate Sprott school of business. Economic Analyst at SNG Ottawa, Canada, Resource Analayst at CIR Washington, USA

There are several forms of organizational integration such as mergers, acquisitions, alliances, and conglomerates. In this paper I maianly focus on mergers and acquisition (M&A) however most of the topics can be generalized to all forms of organizational integration. when organization integrate they should apply their knowledge to find ways of making things work (Rasmus,۲۰۰۲). knowhedge managment (KM) plays an important role in the success of organizational in tegration.
